Term 3 Week 10

Kia ora koutou, Mālō e lelei, Talofa, Bula, Ola, Namaste, Kamusta, Bonjour, Ni hau, Ahlan, Salam, Greetings to you all.

Hard to believe the end of term is here. I know the children and staff have worked hard and a lot has been achieved in this time.

As we head into the school holidays, I would like to wish everyone a safe and restful holiday. Please take the opportunity to get uniforms laundered ready for a fresh start back. Wearing the correct school uniform is an important part of maintaining our school's sense of identity and unity. It promotes a sense of pride and belonging among students while also ensuring that everyone is dressed appropriately and safely for school activities. Uniforms help minimise distractions in the learning environment and allow students to focus on their education rather than on clothing choices. We kindly remind parents and students to adhere to the school's uniform guidelines, ensuring that all items are worn correctly and consistently. Your support in this matter helps foster a positive and respectful school culture. We have a number of children who have been wearing non-uniform items.. This will be something we will be focusing on from day one in the new term. We appreciate your support with this. There are a few second hand items available. Please make enquiries at the office in the first week back.

Fingers crossed for fine weather. Rest, recharge the batteries. We look forward to seeing everyone back Monday 6 October, refreshed and ready for Term 4.

In recent weeks, we've shared in some fantastic celebrations as our ākoka have achieved success through the Arts. These events have highlighted the talent, effort, and support within our school community and are an example of Angitu (our last A in A.R.O.H.A). Kā mihi nui to all our ākoka, kaiako, and whānau for the part you've played in these achievements.

Bandquest

On Sunday 31 August, the BGP band members were proudly on stage at the 2025 Otago Bandquest, performing *Stan Walker's Māori Ki Te Ao* and *Beyonce's Love on Top*. **They were successful at winning this prestigious event.** A huge congratulations to Anthony, who was also successful at taking out **first place for bass guitar**.

Check the wonderful write up in the Otago Daily Times:

Governance Meeting

The next Governance meeting will be **Thursday 30 October, 6.15 pm in the staffroom. We would love to have you attend.**

Congratulations to the following people for the wonderful learning and AROHA they have been showing.

Polyfest

The very next day, BGP moved into Polyfest mode. Monday was spent getting ready - last minute run throughs; checking costumes before it was all systems go.

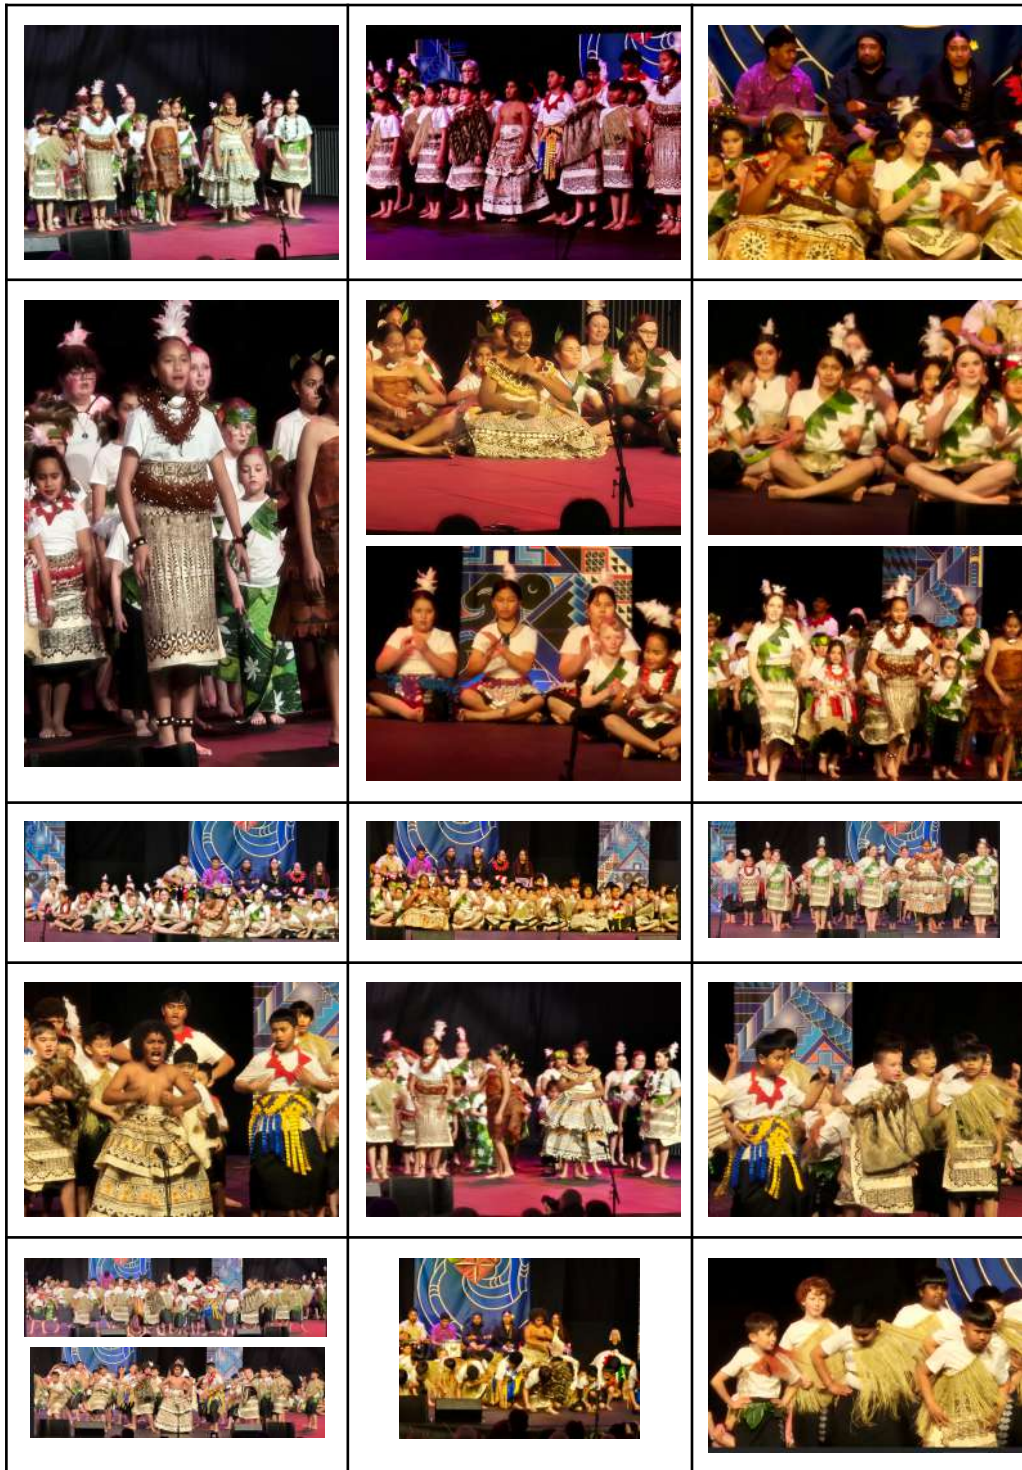

Proud Writer

We had around 85 performers take the stage, creating a fantastic display of colour and talent. The audience was treated to beautiful, sweet singing, graceful dance movements, and a haka that gave us all goosebumps. The passion and pride our performers showed for their cultures — along with the respect and celebration of each other — made the evening truly special. If you would like to watch our school performance, check out the following: <https://vimeo.com/1114753053> & go forward to 30mins 30 sec for our school performance.

Shout Out to Ember for her wonderful encouragement of others in the playground

Important Reminders

Spray Deodorants:

A reminder that spray deodorants **are not allowed at school**. While we understand the need for personal hygiene, aerosol sprays can cause respiratory distress for some students and staff. We ask that students use roll-on deodorants instead to help keep everyone safe and comfortable.

Sun Hats:

In term 4, it is compulsory for ākoka to wear a school sun hat. These will need to be organised by the end of the first week. Please check with your class teacher if you need support for this. Children without a sunhat will be designated to a shaded area. This rule is in place to help students understand the importance of sun safety and the risks of melanoma, which affects many New Zealanders and is directly linked to sun exposure.

Buskers Festival Ōtepoti

Our organisation along with others are bringing back the Buskers Festival for 2025. Could you please share with your community and whānau in your school newsletters, as we are encouraging people to participate as performers well as join us on the day!

This last ran in 2019 as the South Dunedin Busking Festival - we are giving this much loved event a reboot in the hopes it will continue strong into the future. The festival brings music and vibrancy to South Dunedin and offers performance opportunities for the wealth of talent we have here in Ōtepoti, Dunedin.

Artists will perform in assigned 'stages' in doorways along King Edward Street. There are prizes up for grabs for those that wish to enter and the event will culminate with prizegiving at the Dunedin Gasworks Museum from 3pm. We will end the day with some kai and live music.

There is a wide range of categories to support both emerging and established artists across all ages. Registrations are open now by following the link [here](#)

Make sure to check out our social pages **Buskers Festival Ōtepoti** on Facebook and **buskers_festival_otepoti** on Instagram for all the updates.

Thanks from the Buskers Festival Ōtepoti Team.
