

BATHGATE PARK SCHOOL

Blanket Permission Slip

During the school year students will be required to travel to various venues, and your child's teacher will advise you when these are to take place.

We require your permission for your child to travel by transport organised by the school. This could be a bus, the school van, staff vehicles or other parents' vehicles as deemed appropriate for the trip. To avoid collecting this permission every trip your child goes on, we require your signature on the blanket permission slip below, which will cover all trips taken within the city area and during the school hours. (We will contact you at the time should they travel out of the city or outside the normal school hours).

Thank you for your cooperation.

Kind regards

Ngā Mihi
Katrina Robertson
Principal

Please return this slip to the class teacher as soon as possible

I give permission for _____ of Room _____
to attend out of school activities involving class or other group activities within the
greater Dunedin area. I am aware that a variety of transport arrangements may
occur to transport students on these trips.

Signed _____ Parent/Caregiver

Please note: This permission does not extend to class camps or any activity which
encompasses an overnight stay.
