

Road Safety at Bathgate Park School

At Bathgate Park School the safety of our students is paramount. Here are some of the ways you can keep our children safe around the roads.

DROP OFF ZONE

Use our drop off zone to drop off and pick up children. This is NOT a parking space, so if you need to bring your child in please park somewhere else.

PARKING SPACES

Use the available parking spaces if you are bringing your child into the school.

- Tonga Park Carpark (other side of the Dental Clinic)
- Macandrew Road Parking
- Bathgate Park Angle Parks, these are almost always available

SCHOOL CROSSING

Please use the school croissant to cross Macandrew Road. Doing this sets a safe example to all our students. This is a manned crossing everyday from 8:30- 8:50am and from 3:00- 3:10pm

YELLOW LINES

DO NOT park on the yellow lines. When you do it blocks the view of the Road Patrol team and it creates a blind spot for drivers to see children crossing.

FRONT ENTRANCE

Please do not come in the school front drive to drop off children. There are children coming and going at all times of the day. This is also a play area for children.
